# South Holland District Council

One of the biggest changes in the 51 years of SHDC being in operation will be happening next year as there will be significant changes to waste and recycling collections. Partly driven by the Government's Waste Reform Programme for England, the main changes will include:

- **Food Waste being deposited into "Food Caddies" and collected weekly**
- **Paper/Card being separated from other recyclables (i.e. plastic) and both being collected monthly – in 240l Wheeled bins**
- **Non-recyclables (i.e. current black bag items excluding food waste being collected fortnightly – in 240l Wheeled bins**

For some time, SHDC has been one of the few Councils in the Country, and the only Council in Lincolnshire to carry out weekly refuse and recycling collections. However, the introduction of the Waste reform Programme has brought the need to make changes, which were agreed by Cabinet at a meeting in June. This huge change will affect every household within the District, in the way we dispose of our waste and will be of very split opinions. Further information will follow over the coming months.

As we enjoy the summer, and the children are on school holidays, why not pay a visit to Ayscoughfee Hall & Gardens, which has reopened its popular play area, following a £24k refurbishment and repairs. Partly, and sadly work was required due to an act of vandalism, which resulted in the destruction of the cage swing as well as significant damage to the surrounding flooring. As part of the work the team has also carried out repair and renovations to the jeep equipment, ensuring its continued enjoyment for young adventurers for many years to come. Set across five acres, Ayscoughfee Gardens provides a beautiful setting in the heart of Spalding with surroundings and facilities to keep families entertained over summer. In addition, on Sunday 31st August, between 11am – 3pm, the SHDC Communities Team, will be holding their annual "Give it a Go" Day and Carters Park, Holbeach. This popular event gives the opportunity for children and adults to try their hand at something new, with activities including mobile cave, mobile climbing wall, mini-golf, arts & crafts, garden games and much more!

New releases—Aug/Sept 25

A candid, moving story of self-realisation through the power of music, *Our Secrets Are The Same* is the remarkable joint memoir by Simple Minds' founder members, **Jim Kerr and Charlie Burchill**. It not only reveals the inner workings of one of the most innovative and successful British bands of the past half-century, but the deeply personal tale of an extraordinary friendship which powered teenage dreams into visionary action. Exploring key songs, places, years and events in the Simple Minds story, and told in the distinct voices of both men, Their connection is grounded in shared experiences and a set of values and codes so deeply ingrained they don't need to be spoken. This is not just the story of two rock stars, but of two sons, brothers, partners and parents who have never forgotten where they come from. Two men who have remained deeply bonded to their roots and each other, while fulfilling a teenage dream to form a world-class live band and take their music around the globe.

Fascinating and funny, evocative and inspiring, this unforgettable memoir captures a unique journey through life and music, and a friendship like no other.

## Blackberry Gin

### Ingredients

- 350gms blackberries
- 150gms sugar
- 700mls gin

*Blackberries start to appear on their plants about this time of year and this recipe gives you a great excuse to rediscover your inner child and go scrumping along pathways and verges for this delicious little fruit.*

### Method

1. Tip the blackberries and sugar into a 1.5l sterilised jar. Pour over the gin, seal the jar and swirl around to dissolve the sugar. Store in a cool, dark place and turn the jar once a day for the first week to ensure everything mixes well.
2. After 2 – 3 weeks, strain the blackberry gin through a sieve to remove the fruit. Pour the gin into bottles and label. The gin will keep its colour for a few months and will be drinkable for about a year. The infused blackberries can be used in a bramble cocktail or a delicious, boozy trifle.

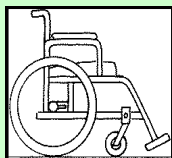

*As a cocktail idea, how about a blackberry gin fizz? Pour 50mls of blackberry gin, 25mls fresh lemon juice, 10mls of honey into a jar and shake well. Pour into a glass that is half full of ice and top up with soda water or a mix of prosecco and soda water. Garnish with a small sprig of mint and enjoy!*

# Cowbit Rainbows and Brownies

And just like that the summer term is over at Cowbit Rainbows and Brownies and what fun we have had. We have been lucky enough this term to have a trip out to Doodles where we painted our very own animals, all the colours of a rainbow.

We have visited Fields Farm Nature play for an evening of wonderfully messy nature themed play, with making mud pies and water play being the favourites for the evening and a chance to meet the Alpacas and Donkeys. We finished this term with an evening of games and a picnic on the Cowbit playing field at Parkin Road by the pavilion. It was so lovely to see the girls enjoying the park. We of course haven't forgotten the badges and we are so proud of Caitlin McAlinden on achieving her Rainbow Gold Award. With some of our newer Rainbows achieved their Bronze Award. Well Done Georgia Painter, Alyssia Violante and Thea Turner. We also presented Brownie Silver Awards to Abbey Ingamells, Amelia Neal, Charlotte Hornett and Rose Steel. ***I am so proud of Cowbit Rainbows and Brownies we have a fantastic group of girls who display such amazing teamwork, friendship and kindness whenever we are all together.***

# Cowbit Village Hall

Hello to all the readers of the magazine, as I write this, we are currently going through a mini heatwave within the area, I hope you are enjoying the nice weather but safely too. The village hall is being kept busy by our regular bookings weekly, fortnightly and monthly etc, a few of these are run by our local community to encourage social engagements. **Our Tea at Two** group meet every first Tuesday, a friendly group who meet for a tea, coffee with home made cakes etc, and pass a couple of hours chatting to each other. Our **senior citizens group** is similar and meet every second and fourth Tuesdays at 2pm, again similar to above, but often Les and Marie will have their home made soups as a teaser, and especially nice on a cooler wintry day. Les mostly holds a mini quiz to test the

grey matter, both of these groups have welcomed newcomers to the village and it is pleasing that both are still quite well attended. It shows how important a community hub in the shape of a Village Hall can be, especially with the village having no public house anymore, another group meet weekly on a Thursday between 1pm - 3pm, the **Cowbit Crafters**, ran by Anne Beeton, they take along their hobbies and chat and have a few refreshments too. Such as crochet, knitting, painting etc and again welcome anyone along to share a common interest. As you will see from the attached photos's my wife Claire and I decided to "pretty" the hall up a bit for Spring/Summer, my dodgy woodwork skills were used to make two nice planters and Claire enjoyed helping and painting them, but especially liked making them up with the plants. She never needs an excuse to visit a local garden centre!! But we are chuffed with them and users of the hall have commented saying how welcoming they look. We must thank **Vernon Brown Plant Sales** from Cowbit, who upon hearing what we were buying the plants for, kindly donated the plants for the black planter, a lovely gesture indeed. We also have now purchased a bench, and placed two slate tiles that I have used to show that **Cowbit Spiritual Centre** donated, and that the bench is in recognition of former Chairman Darren Harper. A nice place to sit and relax outside if you are using the hall. Thank you to all of our customers as usual and my supportive committee members as usual.

### Cowbit Church

Like many others within our church group, we were deeply saddened to learn of the sudden and unexpected death of our vicar, **Rev David Sweeting**, on Friday 11th July 2025. Many of you will have known Rev Sweeting through his work in the village and, in particular, with the school. Our thoughts are with his family – especially his widow Cath and his daughter Briony – at the moment.

Activities within the church have been a little quiet in the past few months but we hope to be able to pull together some fundraising and celebration activities in the next few months – harvest, in particular, is such an important time for us given that we are part of a large rural community. Please do keep an eye out on our social media for upcoming events that you may like to join in.

# WESTON PARISH COUNCIL

*Hi Everyone*

*The main topic around the villages at the moment are the proposed Energy Installation's on Weston Marsh and surrounding areas with a large number of pylons crossing across the villages. At previous public consultation meetings none of the company's involved can give a definitive answer to many of the questions being asked, especially as to where exactly the path these pylons could be taking. More importantly is the new suggestion of not just one sub station on Weston Marsh, but two which begs the question, how much fertile agricultural land would be left. It is a fact that your Parish Council*

*carries little weight when it comes to concerns over these proposals, but that also applies to both your District Council and County Council as any decision made will come from Westminster and by just one person. It seems that our voice is not being listened to even after excellent concerns are and have already been made and much credit must go to those groups actively trying to stop this massive invasion into the Parish.*

*Where is the democracy in that bearing in mind the Government by changing Planning Rules claim they want to give local communities more of a say when planning applications are made.*

*There has also been much activity on the local FB page concerning speeding within our villages and I am constantly asked what are we doing. So I will reiterate what I have said many times over, and that any data we collect via our SID on Austendyke Rd or from our CSW Group is all passed to Lincolnshire Road Safety Partnership (LRSP) & Police, so they are all aware of our problems so if you have a real problem with speeding vehicles I suggest residents complain directly to your local Police but I have to say that from experience most drivers who speed live in our villages, and that is borne out by the letters that are sent to drivers of speeding vehicles caught by the CSW Group, live in our villages.*

*Lastly, and it is with much regret that due to unforeseen circumstances we are unable to carry out our VJ Day beacon evening and on behalf of the council I would like to apologise to any residents whose relatives were involved in the far east campaign during World War 2 for this cancellation.*

**Chris Dicks, Chair , Weston Parish Council**

The next Parish Council meetings at **Weston Hills Village Hall** will take place at 7:30pm on **Monday 4th August** and **Monday 6th October**. The September meeting will take place on **Monday 1st September 2025** at **Weston Village Hall** again starting at 7:30pm. As always there will be a fifteen minute public forum at the start of the meeting.

Don't forget to visit the Parish Council website <https://weston.parish.lincolnshire.gov.uk> for more information on Council business, meeting dates and venues etc.
