South Holland District Council

As we start to settle into 2026, there will be challenges for SHDC, with the highest being the changes to waste collections. Whether we like it or not, due to Government ruling, South Holland will be moving from weekly refuse and recycling bag collections, to wheelie bins. With potential start date around August, SHDC now need to work on policies to ensure, once commencement has taken place, it is done with a minimal change as possible to residents. The first meeting to work through these policies took place just before Christmas at a special meeting of the Policy Development Panel. Normal process would be for comments from the Panel be noted and passed onto Cabinet who ultimately make the final decision. However, after the meeting, which lasted almost four hours and Councillors scrutinising every piece of the proposed policy, rather than passing onto Cabinet, it was rejected and sent back to officers work on, and find solutions to many areas of concern raised. The next meeting will take place early February.

Another challenge will be setting the budget for 2025/26. Otherwise known as Council Tax setting, the setting of the budget forms SHDC part of the Council Tax we pay, and is further made up from Lincolnshire County Council, Police Crime Commissioner, Parish Council and Drainage Boards. Meetings to scrutinise the budget will be taking place in January, with the final meeting taking place at Full Council at the end of February. Local Authorities face financial pressures, whilst continuing to deliver key services. Through careful management, SHDC has weathered the pressures of previous years, and hope to do the same this time as much as possible.

Thank you to everyone who supported Andrew's Charity Coffee Morning, which was held in All Saint's Church Moulton at the beginning of January. Whether is be helping on the day, baking a cake, donating a raffle prize, or just turning up to support, it is all very much appreciated. £452 was made on the day, which was split equally between Moulton Community Association and Moulton Park.

New releases—Feb/Mar 26

From the relentless media scrutiny and controversies of their 2022 Caribbean Tour to the shock cancer diagnoses of both the Princess of Wales and the King, this captivating biography by acclaimed royal journalist Russell Myers intimately traces the story of William and Catherine's relationship from their earliest meeting at St Andrews University to the present day. Drawing on exclusive access to palace insiders, it offers never-before-told context about the biggest stories – including the Sussex departure, the forming of the 'Cambridge way,' and the death of Queen Elizabeth II – and provides an unprecedented glimpse into their private lives. Highlighting the couple's resilience and dedication in the face of adversity, William and Catherine presents a deeply personal perspective on how the events will shape their vision for a modern monarchy.

Fidget Pie

Did you know that Mon 2nd to Sun 8th March 2026 is **British Pie Week?** In celebration of this beloved British dish – and because as a Nation we are pretty good at making and eating a darned good pie – we bring you a really easy pie recipe that can be rustled up in a jiffy.

Fidget pie originated in Shropshire and initially resembled something similar to a Cornish pasty – there are several theories on its strange name but the most likely explanation is that it is named because of its ingredients' tendency to shuffle around in their pastry case when baked. It is amazing when served with a couple of dollops of creamy mash and a large spoonful of buttery peas!

Ingredients

- 500g shortcrust pastry, home made or shop bought
- 450g bacon
- 300g onions, chopped
- 450g cooking apples, peeled, cored and sliced
- 1 tbsp dried sage
- 150ml Cider
- Seasoning
- Beaten egg to glaze

Method

1. Preheat the oven to 200°C or Gas Mark 6 and find a large dish that measures about 30cms x 20cms
2. De-rind and chop the bacon then mix with the onions and apple. Season with salt, pepper and sage.
3. Place the filling into a large dish and pour in the cider.
4. Roll out the pastry so that it is large enough to cover the pie dish – press the edges down well to seal.
5. Cut a cross in the centre of the pie and fold back the triangles to expose the filling. Brush tops with beaten egg and bake for 25 – 30 minutes until pastry is golden brown and the filling bubbling.

Cowbit Church Update....

December turned out to be a little busier than we had perhaps expected but we were over the moon to successfully achieve several exciting things. We held our fourth wreath making workshop, which was again well supported and everyone that came seemed to have enjoyed themselves. It was really lovely to receive several photos of the wreaths proudly displayed on front doors after the workshop and – as ever - we were incredibly impressed by everyone's creative flair with each wreath being a bespoke creation made with the various bits and bobs available.

We also held our **Not Quite Midnight Mass**, which we worked hard to make family friendly and uplifting as we all headed into full-on Christmas celebrations..... it was so lovely to see so many people turn out and we really hope those that attended enjoyed the time they spent with us. Huge thanks to **Sally Wilson** for leading the service, to **Nick Pitts** for playing the organ and to **Pauline Start** who helped to ensure our little church was beautifully decorated

Did you know that our church clock will 118 years old this year? As with many things as they get older, it is in real need of a bit of TLC having had its last overhaul in 2015. Sadly for us, keeping the clock running is not going to be cheap and so our fundraising efforts this year will be geared towards raising the £2,800 that is going to be needed to complete the necessary work. Please do keep an eye out for our events and pop along to support us if you are able – we're going to see if we can create a good old fashioned Blue Peter Totaliser (you're showing your age if you can remember those!) so folks can see how close we are getting to raising the funds we need.

Cowbit Village Hall

"Happy New Year to all of you, and to our regular customers who use the village hall and all of our one off bookings. The seasonal festivities saw a nice couple of events held at the village hall, Lucy Parker organised a well attended Christmas Craft Event, not only by the trading craftspeople but also quite a few visitors having a look round too. As you can see by the photo, she even had Mrs Claus attend, who was filling in because her husband was busy elsewhere!!

Cowbit St Mary's Church also held a busy wreath making session on the 15th Dec, where people could book a place and make their own wreaths, again this had very good support and it was a successful day.

With the festivities over, we are back to normal with the hall, I would like to promote the Senior Citizens group who meet every second and fourth Friday at 10.30am, there had been a drop in numbers attending and Lez and Marie felt they may have to end it, due to lack of people. Please try and support it if you are able. Chair Yoga is now being held every Thursday from 10am to 11am, this is proving to be popular and for more information, contact Bekki Loveridge or www.adultsmovelincolnshire.com.

Since our halloween event, we have noticed a significant rise in bookings for Children's parties, Christenings and Wedding receptions, we offer a very good rate of £8.00 per hour for Cowbit residents and £9.00 for people residing in South Holland. We also have a great music and PA system which can be used, If you are at all interested in booking the hall or wishing to look around our facilities then please contact myself on 07914729987 where I will happily show you round.

I am very pleased also that we have had a five star food hygiene rating from SHDC's food health and safety officer. A lot of thanks go to Terry our cleaner of TJS cleaning services for keeping the hall spick and span.

As usual thank you to all our regular bookings and all other's who book the hall, and all of our committee members who help to keep the village hall a vital community space for the village.

Cowbit Parish Council

Happy New Year!

News from Cowbit Parish Council ...

PERMITTER! Someone slipped up, but never mind, Marcus our lovely litter picker, soon spotted it and it will be sorted... consigned to the bin you could say! Whilst on the subject of our park, many are happy with the changes to allow dog walkers to use the space around the perimeter. However, it is important that all litter is picked up and either binned or taken home, and that includes your furry friend's poo! Let's keep our park clean, tidy and poo free, so that it can be enjoyed by everyone.

In other news.....

We have a new bin outside of Colin's shop, provided by the Parish Council along with donations from our District Councillors. This bin is in addition to the two he already provides, (and empties), helping to keep our village neat and tidy. Thank you Colin! The new bin is next to the bench commemorating Jackie Futter Francis, which was provided by her parents. The bench is purposely situated to view the wash; a scene she especially enjoyed.

Dorothy Scutts, 'Dot', has provided a seat at the Pastures, in memory of her late husband, Brian. It is very much appreciated by villagers, especially those out walking with their dogs. oo free, so that it can be enjoyed by everyone.

Wheels are in motion to upgrade our 'rec' to a park to be enjoyed by all, with a pavilion fit for purpose and more friendly leisure spaces for all ages. Some village signs will also be renewed and there are plans afoot for maps to show bridle paths and foot paths in the area. Keep your eye on the new parish council noticeboard, located near the bus stop, opposite the school. This will show when Parish Council meetings are, Agendas and other useful information.

We are looking forward to getting a new village sign, as our old one is looking old and tired. (The picture shows the previous sign, not the current one). We are looking for a design that will reflect, not only our history, but also the changes in Cowbit.

We are looking for another member to join our team on the Parish Council. We are a very welcoming council and our focus is to make Cowbit a lovely place to live. If you share that desire and have a couple of hours to spare, then please contact us to find out more. All are welcome to apply, provided you are over 18, have lived in the village for at least a year, are registered to vote and have no criminal record.

We understand that a lot of younger people have work and/or family commitments, but our meetings are kept to a minimum, (bi-monthly), and are usually held on a Monday evening.

Our Parish Council meetings are held on Monday evenings at 7:30pm in the village hall, and are accessible to all. There's an open public forum for 15 minutes before our meeting commences, so please come along, ask questions and let us know what you would like us to focus on in 2026.

Meeting dates have been provisionally set for: -

January the 12th

March the 9th

May the 11th

July the 13th

September the 14th

November the 9th

Please come along and get involved in your local community.

WESTON PARISH COUNCIL

Hi Everyone

Albeit slightly late but may I wish all residents a peaceful and healthy New Year. Reflecting on 2025 your Council managed to furnish Weston Park with some its new play equipment including the Zip Wire which I hope as the weather improves will get used a lot. There are other items which will be installed in the Spring time to finish the hard work carried out by several councillors to improve the facilities of both Weston & Weston Hills parks. To that end my sincere thanks goes to

Clhrs Janet Bellamy & Annabel Brotherton .

There is of course the ongoing matter of the Energy Projects which could effect both Weston & Weston Hills if they go ahead and especially those residents living in the idyllic area of the Marsh which could have two large sub stations and it needs all residents to make your feelings known to the authorities if we are to stop these projects, which I understand will bring no benefit to this area, just years of chaos. Residents need to see and know what could happen to the road network around Weston.

A meeting was arranged with the Head of Lincolnshire Road Safety Partnership (LRSP) on the 12 January to discuss what measures could be taken to reduce the speeding vehicles along both Austendyke Rd and the High Rd in Weston, this after a number of surveys were carried out on the High Rd, but not Austendyke Rd, which as a council we found unbelievable. It has been agreed with LRSP for them to carry out traffic surveys at 3 points along the 40mph stretch of Austendyke Rd which hopefully lead to road side speeding checks by LRSP personnel who will be in possession of hand held devices with cameras. We have also asked them to check the east of the junction of Broadgate and Austendyke Rd as drivers views to the right for traffic coming from Spalding is still impaired and we hope they can come up with some suggestions for drivers approaching this junction on Austendyke Rd. We will of course update residents of any developments.

**Chris Dicks, Chair ,
Weston Parish Council**

*The next Parish Council meetings at **Weston Hills Village Hall** will take place at **7:30pm** on **Monday 2nd February and Monday 13th April**. The March meeting in **Weston** will take place at the **Community Centre High Road Weston** on **Monday 2nd March** again starting at **7:30pm**.
